

# JOIN!

We are a success story!

Osprey have returned to the Huron River.  
What an amazing success story of clean water,  
healthy diversity and abundant fish.  
Be a part of the next success story!

**Become a member!**

Join us online [HRWC.org](http://HRWC.org)

### **Membership**

Become a member of HRWC to help provide innovative programs for pollution prevention, hands-on river monitoring, wetland and flood-plain protection, K-12 education initiatives, and natural resources planning.

### **Stewardship**

Join volunteer projects that have restored stream banks, collected water samples, studied aquatic insects, monitored stream flow and temperature, created rain gardens of native plants, planted trees, and assessed natural areas.

*Membership and stewardship create meaningful solutions and keep the successes coming for future generations to enjoy the Huron River watershed.*
