---	--	--

PLAN REVIEW REQUIRED

Plans must be submitted with an application for Plan Examination before a permit can be issued, except as listed below:

- One and Two Family dwelling when the total heating/cooling system input rating is 375,000 BTU or less.
- Alterations and repair work determined by the mechanical official to be of minor nature.
- Business, mercantile, and storage buildings having HVAC equipment only, with one fire area and not more than 3,500 square feet. PLANS NOT REQUIRED
- Work completed by a governmental subdivision or state agency costing less than \$15,000.00

APPLICANT SIGNATURE

Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to 1980 PA 299 and shall bear that architect's or engineer's seal and signature.

Section 23a of the state construction code act of 1972, 1972PA 230, MEL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of the state relating to persons who are to perform work on a residential building or a residential structure. Violator of section 23a are subjected to civil fines.

Signature of licensee or Homeowner: X

(Homeowner signature indicates compliance with Homeowner Affidavit, see below)

Homeowner Affidavit

I hereby certify the mechanical work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be installed in accordance with the Mechanical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Mechanical Inspector. I will cooperate with the Mechanical Inspector and assume the responsibility to arrange for necessary inspections.

COMPLETE BACKSIDE

GENERAL: Mechanical work shall not be started until the application for permit has been filed and issued. All installations shall be in conformance with the State Mechanical code. NO WORK SHALL BE CONCEALED UNTIL IT HAS BEEN INSPECTED.

Boilers other than residential are under the jurisdiction of the Boiler division, State of Michigan

HEATING		FEE	QTY	TOTAL
