As we approach the months of May and June, I would like to share that we have a variety of events and activities planned for everyone to enjoy. Throughout these months, there will be opportunities to socialize, participate in group activities, and take part in special gatherings designed to bring our senior community together. Our regular programs will continue, along with a few additional seasonal events to celebrate the warmer weather.

We encourage all seniors to join in as they are able and take advantage of the many ways to stay active and connected. More details, including specific dates and times, are shared within our newsletter, inside Richardson Senior Center, on Facebook and Instagram as well as our website. We look forward to seeing you at these upcoming events and appreciate your continued participation in making our community a welcoming and enjoyable place for all.

Best,

Emily, Allison, Claire & Ashley

NEW HOPE WHITE LAKE

— ASSISTED LIVING & MEMORY CARE —

All-Inclusive Living

All-inclusive pricing means that **ALL** of a resident's personal costs are included in our monthly price. All inclusive pricing means that your finances are simplified: all personal services are included in the cost of the floor plan you select.

Communities who choose to use A la Carte pricing, charge residents by their level of care, making budgeting impossible for families. You may enter the community with one price in mind and discover that there are escalating care costs. These senior living options are usually more expensive than ones who have all-inclusive pricing. Your family becomes our family at New Hope White Lake. We will treat them with the honor and respect they deserve, including safeguarding their finances.

A place to feel at Home, a team that Feels like Family!
