Richardson Review

January & February 2026

Richardson Community Senior Center

Letter from the Director

Dear Friends,

As we welcome the arrival of 2026, I want to express my heartfelt gratitude for the warmth, spirit, and resilience that define our senior center community. Each year brings its own challenges and triumphs, and together we continue to create a place where friendship, comfort, and joy thrive. I am inspired daily by the way you support one another, share your stories, and make this center a home for connection and purpose.

As we step into the new year, we're excited to focus on getting 2026 off to a healthy and fulfilling start. From wellness workshops and fitness offerings to creative programs and social gatherings, our goal is to help every member feel energized, supported, and engaged. I encourage you to explore new activities, embrace healthy habits, and continue nurturing both body and mind. Here's to a year filled with good health, meaningful moments, and the strength of community.

Happy New Year!

giving you a caring
and pleasant home!

About Pleasantry Home Care:

I had a dear neighbor who was diagnosed with Dementia. She seemed very unhappy at the thought of having to relocate to a nursing home once her Dementia starts to progress.

She wanted to continue to remain in a place she was familiar with, but at the same time she was unsure of the cost of home care and if it would even fit her budget. I saw her declining more every day with the concern of leaving her home. and I stopped and asked myself, "Why not be able to have the best of both worlds?" **Quality service with reasonable rates** will allow you to have a longer, healthier, and happier life, and I knew I would want that for myself one day. This is one of the reasons why Pleasantry Home Care exists today.

I'm aware of the financial predicament we are all facing in today's economy. I realize the importance of our health and wellbeing in determining our quality of life.

When times get hard, we feel the need to overlook what's important and only focus on what we think we can afford. This is why we offer fair rates with quality service. While getting the best care, your finances are the least of your worries.

Thank you for considering Pleasantry Home Care!
